Tool #3 – Charting

Summary

- The CQI's role is to measure and improve the health outcomes of our clients.
- We develop tools and systems to achieve our CQI goals.
- We work in mutually-reinforcing activities with:
 - Part A Planning Council
 - Nevada Part B
 - Part C
 - Part D
 - Part F
- **We are getting better at knowing how we're doing and what we can do about it!**

“We are getting better at getting better.”

Rick Hanson
