

RYAN WHITE PART A (RWPA) HIV/AIDS PROGRAM  
LAS VEGAS TRANSITIONAL GRANT AREA (TGA)

***MEDICAL NUTRITION THERAPY—SERVICE STANDARDS***

<b>Drafted by Part A Recipient Office</b>	<b>Approved by Part A Planning Council</b>
December 2017	January 2018

**IMPORTANT:** All Las Vegas Transitional Grant Area (TGA) service providers must adhere to the Las Vegas-TGA [Universal Service Standards](#). Please read the [Universal Service Standards](#) prior to reading the service standards below.

**Service Description**

Medical Nutrition Therapy includes:

- Nutrition assessment and screening
- Dietary/nutritional evaluation
- Food and/or nutritional supplements per medical provider’s recommendation
- Nutrition education and/or counseling

These services can be provided in individual and/or group settings and outside of HIV Outpatient/Ambulatory Health Services.

**Program Guidance**

All services performed under this service category must be pursuant to a medical provider’s referral and based on a nutritional plan developed by the registered dietitian or other licensed nutrition professional. Services not provided by a registered/licensed dietitian should be considered [Psychosocial Support Services](#) under RWHAP.

See [Food-Bank/Home Delivered Meals](#)

**Minimum Requirements**

STANDARD	MEASURE
